

*How did the brave prince
and the courageous witch
meet ?*

*5èC students' Fairy tale
21st June 2021*

*Once upon a time,
there was a young
prince who lived near a
castle.*

His name was Leon. He was an elegant, very nice, kind-hearted, courageous, blond-haired, green-eyed prince. He was the wisest prince in the kingdom.

*One day, a princess shouted :
« The huntsman wants to kill
me ! ».*

*The princess was Ella. She was a
pretty, clever, unhappy,
muscular, slim, light-brown-eyed
young princess.*

*She was the youngest princess.
She was also a witch.
She lived in the forest with her
stepbrother and her mother.*

*The huntsman wanted to kill her
because in the country, people
didn't like witches.*

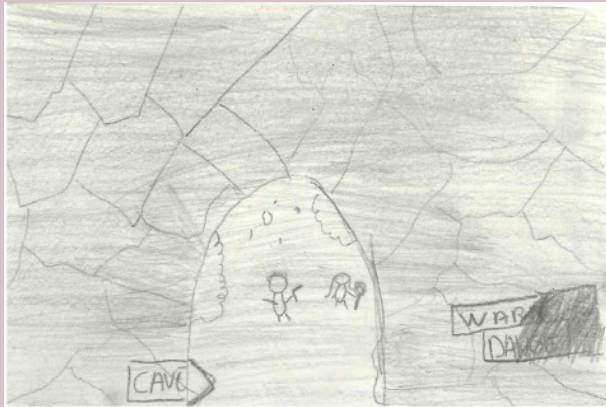

*Then, Leon came in the forest to save Ella.
But there was the biggest monster on his way.*

Leon and the monster fought during ten minutes. Leon beat the monster and cut the monster's head. Then, he cried : « Ella, where are you ? ».

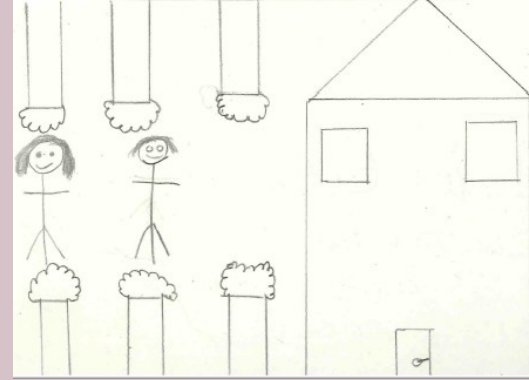

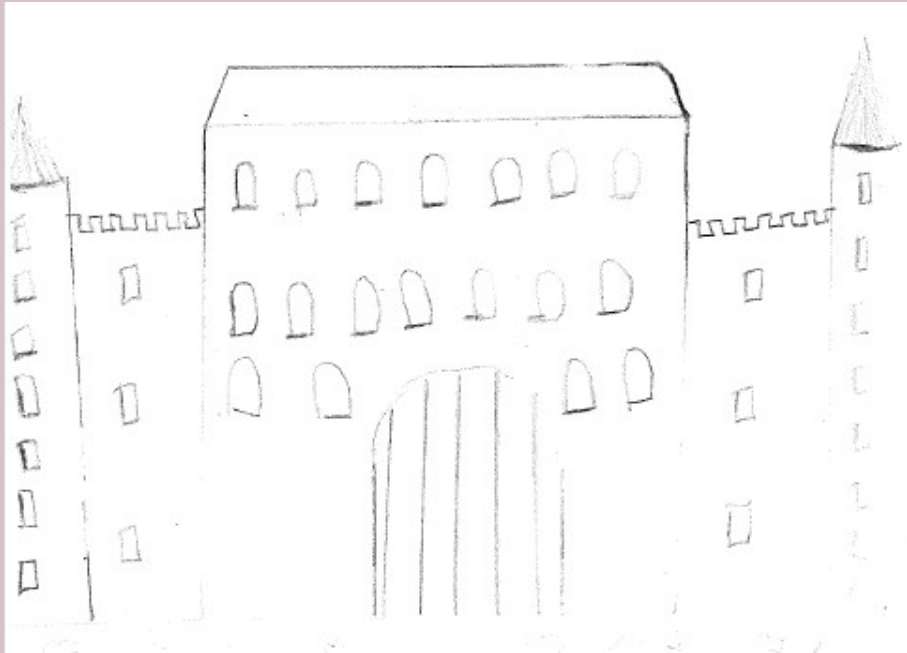

*The princess shouted :
« I was here, in the cave,
behind you ! ».
The huntsman arrived and
kidnapped Ella. Then,
Leon ran after them.*

Ella used her magic stick to transform the huntsman into a pig. Then, she strangled the pig with her scarf. The huntsman fell on the floor and died.

Leon discovered that Ella was a witch and asked : « Will you marry me ? ». Ella answered : « Yes, I will ! ».

*They married, had
children and lived
happily ever after.*

*All the people and the wizards
of the kingdom made peace.*
